

Hagerty's Operation Ignite! Youth Judging Information

Hilton Head Car Club Jamboree – November 5, 2011

Thank you for allowing your young person to participate in Hagerty's *Operation Ignite! Connecting Kids and Cars* Youth Judging Program. We are pleased to partner with Hargray Communications to bring Youth Judging to the Hilton Head Motoring Festival & Concours d'Elegance and look forward to a continued relationship.

This year's youth judging event is part of a series of programs designed through Hagerty's *Operation Ignite!* to open the eyes of young people to the excitement and camaraderie of the collector vehicle hobby. Your 'Young Judge' will have the opportunity to view show vehicles close up and interact directly with their owners. We encourage the judges to ask questions of Hagerty guides and the owners as this is first and foremost an opportunity to learn about our automotive history.

Following is a basic timeline for the Youth Judging program to take place Saturday, November 5.

- | | |
|-----------------|---|
| 9:30 AM | Young Judges and parents meet at Hagerty Tent on Motoring Midway
- All participating Young Judges should meet at the Hagerty Tent to check-in and receive their Youth Judging materials including a t-shirt, hat, scorecard, lanyard and pencil. |
| 10:00 AM | Judging Introduction, program begins
- An introduction and overview of the program will be given and then the Young Judges will head out to the showfield. The group will walk with a Hagerty guide to each car, talk to the owner and then evaluate it according to our criteria. Parents are welcome and encouraged to join us! |
| 11:30 AM | Finish Judging and Tabulate Results, Lunch in Hargray Hospitality Tent at Awards Stage
- Youth judges are invited to have lunch in the Hargray Hospitality tent while they prepare for the awards ceremony. |
| 12:45 PM | Young Judges meet at Hargray Tent to present awards to top three place finishers
- Youth judges who wish to participate in the presentation of the awards will present first, second and third place trophies to award winners. |

I hope this offers an idea of what your "Young Judge" will experience as part of the Hilton Head Concours Judging group. If you have any questions or concerns, please feel free to contact me at any time on my mobile phone at 843-757-0104. I am looking forward to meeting each of you.

Sincerely,

Becky McCorkendale
Hilton Head Youth Judging Coordinator
