

# Featured Event: Lowcountry Driving Tour

HISTORY COMES ALIVE

presented by **bluffton**  
HEART OF THE LOWCOUNTRY™

Friday, November 1, 2019  
9:00 AM

Pull up a comfy chair, take a sip of sweet tea and let out a big sigh, because this year's Driving Tour will take you to a town with its own state of mind: Bluffton, South Carolina. Home of character, and to characters, Bluffton's quirky side shines with its own blend of genuine hospitality and artistic eccentricity. Bluffton fills the soul of the traveler with a sense of place that not only captures the charm of a time past, but also brings it full circle into the present. So roll down the windows, breathe in the salty air, stroll among the centuries-old oaks, and surrender to the Bluffton state of mind!

The day will begin in historic Old Town Bluffton amidst the unique boutiques, antique shops, galleries, eateries and specialized retailers. Breakfast will be served in the new Dubois Park with a special welcome and tour of the Heyward House, the official welcome center, followed by a self-guided walking tour of historic district.

Following you will travel to Montage Palmetto Bluff, a classic southern escape nestled along the scenic May River and rich with its own history. Here guests will enjoy the tales of The Bluff alongside a delicious lunch. To add to the historical bounty, in partnership with the Historic Vehicle Association (HVA), vehicles from the Historic Vehicle Register will be on display prior to public consumption over the weekend at the Port Royal Golf Club. This is the first time vehicles from the Register will be displayed as a collection.

This will be a day not to miss. Join us while we enjoy history and make a little of our own!

**\$ 285/car (includes driver and 1 passenger) | \$ 100/additional passenger**

Tickets can be purchased at [www.HHIConcours.com/ConcoursExhibitor](http://www.HHIConcours.com/ConcoursExhibitor)
